The donation form page is the page where your users will enter their data. Simply click on the needed short codes to insert them. When you click on any of those little hearts, its shortcode equivalence is inserted automatically into the page content.

The screenshot shows the WordPress Users page. On the left is a sidebar menu with options: Dashboard, Posts, Media, Links, Pages, Comments, Donations, Appearance, Plugins, Users (selected), All Users, Add New, Your Profile, Tools, Settings, and Collapse menu. The main content area is titled 'Users' with an 'Add New' button. Below the title, it shows 'All (4) | Administrator (1) | Donor (3)'. There are buttons for 'Bulk Actions', 'Apply', 'Change role to...', and 'Change'. A table lists the users:

<input type="checkbox"/>	Username	Name	E-mail	Role
<input type="checkbox"/>	 admin		admin@wordpress.org	Administrator
<input type="checkbox"/>	 John_Doe	John Doe	john@doe.com	Donor
<input type="checkbox"/>	 John_Smith	John Smith	john@smith.com	Donor
<input type="checkbox"/>	 Samantha_Oups	Samantha Oups	samantha@oups.com	Donor
<input type="checkbox"/>	Username	Name	E-mail	Role

At the bottom of the table, there are buttons for 'Bulk Actions' and 'Apply'.

When a new donor send a donation, a new WordPress user is created. If the user already exist, the plugin will recognize him.

7 Donation draft

<input type="checkbox"/>	Thumbnail	Title	Categories	Amount	Donor		Date
<input type="checkbox"/>		Donation by Bob MARLEY - Draft	No Donation Types	30-00-€	Bob MARLEY		2012/03/13 Last Modified

And if you go to "donations" you'll see that there is a donation, that is created but not completed. The donation will be completed after payment. But if the donor doesn't process the payment, then the donation will stay as draft. The status changes when the paypal IPN sends the information saying that the payment is validated. In some cases this can take several minutes. If you experience problems please enable IPN email notifier under settings.

8 Paypal

The donator is then redirected to Paypal. Once the payment is done, the donation process is complete, the donation is listed in donations list, and the donor receive a thank you email. You can also receive a notifier email.
